Intro: G D G D There are

ever not for better, some have go--one and some remain. All these

places had their moments, with lovers and friends I still can recall. Some are

dead and some are living. In my life I've loved them all.

Bridge: G D But of

all these friends and lovers, there is no one compares with you. And these

memories lose their meaning, when I think of love as something new. Though I  
Em Am F G  
know I'll never lose affection for people and things that went before, I  
Em Am C Cm G  
know I'll often stop and think about them. In my life I'll love you more.
