J courted a wee girl

Note: this song is not yet finished!

- I courted a wee girl for many's the long day,
 And slighted all others who came in my way.
 But now she's rewarded me to the last day,
 She's gone to be wed to another.
- 2. The bride and bride's party to church they did go.
 The bride she rode foremost she put the best show
 And I rode behind my heart filled with woe
 To see my love wed to another.
- 3. The bride and bride's party, in church they did stand, Gold rings on their fingers, a love hand in hand. The man that she's wed to has houses and land; He may have her since I could not gain her.
- 4. The last time I saw her she was all dressed in white, The more I gazed on her she dazzled my sight, So I tipped her my hat and bade her goodnight. Here's bad luck to all false-hearted lovers.

- 5. So dig me a grave and dig it down deep,
 - And strew it all over with primerose so sweet.
 - And lay me down in it for no more for to weep,
 - For love was the cause of my ruin.

Mord auf dem Abort Versengold

1. Nachdem sich unser Graf denn mit dem Volke einst zerstritt

A

Das wahrlich arg und schwer unter den hohen Steuern litt

Und voller Zorn das nächste Mal den Eintreiber versohlte

A

Der daraufhin mit Söldnerschaft das Doppelte sich holte.

Beschloss der Graf den Abort auf dem Bergfried neu zu richten

A

Auf dass die Leute in dem Dorf den Balken konnten sichten

Und um ihn' jeden Morgen dann für die geliebte Gunst zu danken

A

Zeigte er mit Donnerschlag zum Morgengruß den Blanken.

Nach vieler Jahre in der Schmach und lang erlebter Plage $\stackrel{A}{}$ raunt plötzlich durch des Volkes Reihen schmunzelnd eine Frage:

2. Nach gar nicht langer Weile kam vom königlichen Thron

A Bald schon eine Pfaff- und Büttel-Aufklärkommission,

A Welche diese dunkle Tat für aller Adelswohl wollt' lichten

A Und getreulich von dem Vor- und Ab-Reinfall berichten.

Es kamen viele Fragen auf wie die, warum der der Graben gar,

Der um die Burg fließt, stets gefüllt, an diesem Morgen trocken war?

A Und wer was zu den frischen Erdhaufbahnen um der Feste weiß,

A Dies sei nur eine Spargelzucht bezeugte ein alt Bauerngreis

Das Wasser ging wohl just zu Dunst nach Vortags Hitzeplage $\frac{A}{\text{Stellte}}$ so der Hauptmann fest umsorgt von einer Frage ...

3. So suchte man im Volk umher nach weit'ren Zeuzgensagen

Und tat die höchsten Häupter in dem Dorfrat denn befragen.

Der Schulze war gar Augenzeuge und sprach nach 'nem lauten Krach,

A Fiel der Graf mit Rittlings-Salto und 'nem halben Auerbach

D So graziös von seinem Stuhl, auf dem er saß gar nackig drauf,

Zum Boden wo er denn noch schrie - bis ihm der Balk fiel oben auf

Und fügte noch hinzu, kein Wunder, dass der solcher Art verreckt,

Der Graf hat seiner Lebzeit doch nur stets im Dung gesteckt.

Die Kommission war zwar empört, was hier der Schulze wage, A Doch ließen sie von Strafe ab, zu wichtig war die Frage.

Die Kommission fand's müßig schon und bracht's zu keiner Klage A D Und verzweifelte nur weiter an der steten Frage:

Nach ein paar Tagen Mühsal war's den BÜtteln dann zu viel

A

Und auch die Pfaffen hatten schon 'nen and'ren Fall zum Ziel.

A

Das mag zwar wunderlich erschei'n, doch nur so lang wie ihr nicht wisst,

D Und durch's ganze Dorf erklang nicht eine Trauerklage, A D Doch Jubelrufe auf die Antwort der gewissen Frage.

A E Ich hab den Donnerbalken angesägt,

D E Mich hat's zu solch gottloser Tat bewegt,

8 The Bard's Song

Note: this song is not yet finished!

1. Now you all know

The bards and their songs

When hours have gone by

I'll close my eyes

In a world far away

We may meet again

But now hear my song

About the dawn of the night

Let's sing the bards' song

Tomorrow will take us away

Far from home

No one will ever know our names

But the bards' songs will remain

Tomorrow will take it away

The fear of today

It will be gone

Due to our magic songs

2. There's only one song

Left in my mind

Tales of a brave man

Who lived far from here

Now the bard songs are over

And it's time to leave

No one should ask you for the name

Of the one

Who tells the story

Tomorrow will take us away

Far from home

No one will ever know our names

But the bards' songs will remain

Tomorrow all will be known

And you're not alone

So don't be afraid

In the dark and cold

'Cause the bards' songs will remain

They all will remain

In my thoughts and in my dreams

They're always in my mind

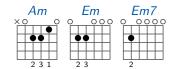

These songs of hobbits, dwarves and men

And elves

Come close your eyes

You can see them too

11 Willst Du?

Note: this song is not yet finished!

- Komm her und lausche meiner Stimme, ich habe Dir was zu erklären.
 Hörst Du das Herz in meiner Brust, pass auf, ich habe Dich gern.
- Weiß nicht genau, wann es passierte, ein unbeschreiblicher Moment.
 Ich sah Dich an und in mir rührte, sich ein Gefühl, das brennt.
- Hielt mich fortan in Deiner Nähe, war stets bei Dir, wenn Unheil droht.
 Verscheuchte Schatten und Probleme, hielt Wacht bis ins Morgenrot.
- So ging es über viele Jahre, in mir der Sturm schon schmerzhaft tobt.
 Schließ Dich im Traum in meine Arme, während ich Dir Treue gelob.

Sieh, Du Schöne, was ich habe...
Willst Du diesen Ring von mir?
Streif ihn über und dann sage:
Ja, fortan gehör' ich Dir!

Interlude

Sieh, Du Schöne, was ich habe... Willst Du diesen Ring von mir? Streif ihn über und dann sage: Ja, fortan gehör' ich Dir!

12 Ye Jackobites

Note: this song is not yet finished!

Ye Jacobites by name, lend an ear, lend an ear.

Ye Jacobites by name, lend an ear.

Ye Jacobites by name, your faults I will proclaim

Your doctrines I must blame, you shall hear.

1. What is right and what is wrong by the law, by the law.

What is right and what is wrong by the law.

What is right and what is wrong, by a short sword or by long

And a weak arm or a strong for to draw.

Ye Jacobites by name, lend an ear, lend an ear.

Ye Jacobites by name, lend an ear.

Ye Jacobites by name, your faults I will proclaim

Your doctrines I must blame, you shall hear.

2. What makes heroic strife famed afar, famed afar?

What makes heroic strife famed afar?

What makes heroic strife, to whet the assassins's knife

Or hunt a parent's life with bloody war.

Ye Jacobites by name, lend an ear, lend an ear.

Ye Jacobites by name, lend an ear.

Ye Jacobites by name, your faults I will proclaim

Your doctrines I must blame, you shall hear.

3. Then leave your schemes alone in the state, in the state.

Then leave your schemes alone in the state.

Then leave your schemes alone adore the rising sun

And leave a man alone to his fate.

Ye Jacobites by name, lend an ear, lend an ear

Ye Jacobites by name, lend an ear.

Ye Jacobites by name, your faults I will proclaim

Your doctrines I must blame, you shall hear.

He's a Pirate

Note: this song is not yet finished!

- He escaped from the Island our strong Captain Jack,
 He bound turtles together with the hair of his back.
 Left alone with a gun, to look death in the eye,
 But RedBull gave him wings and he learnt how to fly.
- So he travelled with the guy from the Lord of the Rings
 To the Island of Tortuga where he had a few flings.
 He drafted a crew to find the Isla de Muerta
 With the blood of his bootstrap to get rid of the curse.

2 Fragile

Note: this song is not yet finished!

1. If blood will flow when flesh and stell are one

Drying in the colour of the evening sun.

Tomorrow's rain will wash the stains away,

But something in our minds will always stay.

Perhaps this final act was meant to clinch a lifetime's argument

That nothing comes from violence and nothing ever could.

For all those born beneath an angry star

Lest we forget how fragile we are.

On and on the rain will fall

Like tears from a star, like tears from a star.

On and on the rain will say

How fragile we are, how fragile we are

2x Intro

On and on the rain will fall

Like tears from a star, like tears from a star.

On and on the rain will say

How fragile we are, how fragile we are. $(\times 2)$

God's gonna cut you down

You can run on for a long time

Run on for a long time

Run on for a long time

Sooner or later God'll cut you down

Sooner or later God'll cut you down

Go tell that long tongue liar

Go and tell that midnight rider

Tell the rambler, the gambler, the back biter

Tell 'em that God's gonna cut 'em down

Tell 'em that God's gonna cut 'em down

You can run on for a long time

Run on for a long time

Run on for a long time

Sooner or later God'll cut you down

Sooner or later God'll cut you down

1. Well my goodness gracious let me tell you the news

My head's been wet with the midnight dew

I've been down on bended knee talkin' to the man from Galilee

He spoke to me in the voice so sweet

I thought I heard the shuffle of the angel's feet

He called my name and my heart stood still

When he said, "John go do My will!"

Go tell that long tongue liar

Go and tell that midnight rider

Tell the rambler, the gambler, the back biter

Tell 'em that God's gonna cut 'em down

Tell 'em that God's gonna cut 'em down

You can run on for a long time

Run on for a long time

Run on for a long time

Sooner or later God'll cut you down

Sooner or later God'll cut you down

2. Well you may throw your rock and hide your hand

Workin' in the dark against your fellow man

But as sure as God made black and white

What's down in the dark will be brought to the light

You can run on for a long time

Run on for a long time

Run on for a long time

Sooner or later God'll cut you down

You can run on for a long time

Run on for a long time

Run on for a long time

Tell 'em that God's gonna cut you down

Tell 'em that God's gonna cut you down

Tell 'em that God's gonna cut you down

Hallelujah

Note: this song is not yet finished!

1. Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you dont really care for music, do you?
It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah

Hallelujah, Hallelujah Hallelujah, Hallelujah

Chorus

2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

3. You say I took the Name in vain
I dont even know the Name
But if I did, well really, what's it to you?
There's a blaze of light in every word
It doesnt matter which you heard
The holy or the broken Hallelujah

Chorus

4. I did my best, but it wasnt much
I couldn't feel, so I tried to touch
I've told the truth, I didnt come to fool you
And even though it all went wrong
I'll stand before the Lord of song
With nothing on my tongue but Hallelujah

Chorus

I am a man of constant sorrow

In constant sorrow through his days

I am a man of constant sorrow
 I've seen trouble all my day
 I bid farewell to old Kentucky
 The place where I was born and raised

The place where he was born and raised

2. For six long years I've been in trouble

No pleasures here on earth I found

For in this world I'm bound to ramble

I have no friends to help me now

He has no friends to help him now

3. It's fare thee well my old lover
I never expect to see you again
For I'm bound to ride that northern railroad
Perhaps I'll die upon this train

Perhaps he'll die upon this train

4. You can bury me in some deep valley
For many years where I may lay
Then you may learn to love another
While I am sleeping in my grave

While he is sleeping in his grave

Maybe your friends think I'm just a strangerMy face you'll never see no moreBut there is one promise that is givenI'll meet you on God's golden shore

He'll meet you on God's golden shore

7 Lives in the Balance

Note: this song is not yet finished!

1. I've been waiting for something to happen
For a week or a month or a year
With the blood in the ink of the headlines
And the sound of the crowd in my ear.
You might ask what it takes to remeber
When you know that you've seen it before
Where a gobvernment lies to a people
And a country is drifting to war

There's a shadow on the faces

Of the men who send the guns

To the wars that are fought in places

Where their business interests runs

2. On the radio talk shows and the TV
You hear one thing again and again
How the USA stands for freedom
And we come to the aid of a friend
But who are the ones that we call our friends?
These governments killing their own?
Or the people who finally can't take anymore

And they pick up a gun or a brick or a stone
There are lives in the balance (There are!)
There are people under fire (There are!)
There are children at the cannons (There are!)
And there is blood on the wire

There's a shadow on the faces

Of the men who fan the flames

Of the wars that are fought in places

Where we can't even say their names

3. They sell us the president the same way

They sell us our clothes and our cars

They sell uis everything from youth to religion

The same time they sell us our wars

I wanna know who the men in the shadows are

I wanna hear somebody asking them why

They can be counted on to tell us who our enemies are

But they're never the ones to fight or to die

There are lives in the balance (There are!)

There are people under fire (There are!)

There are children at the cannons (There are!)

And there is blood on the wire

There are lives in the balance

There are people under fire

There are children at the cannons

THERE ARE ...!

Rainbow in the dark

1. When there's lightning

You know it always brings me down

'cause it's free

And I see that it's me

Who's lost and never found

I cry out for magic

I feel it dancing in the light

It was cold

Lost my hold to the shadows of the night

No sign of the morning coming

You've been left on your own

Like a rainbow in the dark

A rainbow in the dark

2. Do your demons

Do they ever let you go?

When you've tried

Do they hide deep inside?

Is it someone that you know?

You're just a picture

You're an image caught in time

We're a lie

You and I

We're words without a rhyme

There's no sign of the morning coming

You've been left on your own

Like a rainbow in the dark

Just a rainbow in the dark
